EASEMENTS AND PROPERTY RIGHTS

Section 2.1. Utility Easements. The Declarant reserves the right to grant easements to any public or private utility or governmental authority providing utility and other services within the Property over, under, upon and through the Property. Any such easement granted by the Declarant pursuant hereto shall be given for the purpose of maintaining, installing, repairing, altering and operating sewer lines, irrigation lines, water lines, lift stations, effluent disposal lines, pipes, wires, power lines, telephone service, gas lines, cable television service, alarm systems, and like machinery, equipment and apparatus appurtenant to all of the forgoing as may be necessary or desirable for the installation and maintenance of utilities and providing services to Owners, the Property and the Common Area. All such easements shall be of such size, width and location as the Declarant, in its discretion, deems appropriate; provided, however, such discretion will be exercised in such a manner so as to not unreasonably interfere with the use of any improvements which are now, or may hereafter be, located upon the Property.

Declarant furthermore reserves the right to grant and convey any Conservation Easement across, through, under or above any Common Area which it determines, in its sole discretion, is of benefit to the Property. Said Conservation Easement may be granted to the St. Johns River Water Management District or any other appropriate governmental agency.

Section 2.2. Conveyance of Areas; Streets and Easements. It is anticipated that Alleys, Access and Utility Alleys, Open Areas and Wetlands shown on the Plat and any surface water drainage facilities will be conveyed to the CDD so that it, rather than the Association, will maintain and repair said areas and will charge Owners for said maintenance and repairs. Such areas will not be deemed part of the Common Area. Streets and Easements shown on the Plan of the Property are publically dedicated and not maintained by the Association.

Section 2.3. Miscellaneous. All platted utility easements shall also be easements for the construction, installation, maintenance, and operation of cable television services which shall not interfere with the facilities and services of an electric, telephone, gas, or other public utility. In the event a cable television company damages the facilities of a public utility, it shall be solely responsible for repair of such damages. Such construction, installation, maintenance, and operation of cable television facilities shall comply with the national electrical safety codes adopted by the Florida Public Service Commission.

Section 2.4. Right to Grant or Relocate Easement. The Declarant (during any period in which the Declarant has any ownership interest in the Property) and the Association shall each have the right to grant such additional drainage, water and sewer, electric, telephone, gas, sprinkler, irrigation, cable television or other easements, and to relocate any existing easement in

any portion of the Property, including the lots, and to access easements and to relocate any existing access easements in any portion of the Property as the Declarant or the Association shall deem necessary or desirable, for the proper operation and maintenance of the Property, or any portion thereof, or for the general health or welfare of the Owners or for the purpose of carrying out any provisions of this Declaration; provided that such easements or the relocation of existing easements will not prevent or unreasonably interfere with the use of the Lots for dwelling purposes. There shall be reciprocal appurtenant easements of encroachment as between each Lot and the Common Area adjacent thereto or as between adjacent Lots due to the unintentional placement or settling or shifting of the improvements installed by utility companies or governmental entities or the Declarant, to a distance of not more than three (3) feet, as measured from any point on the common boundary between each Lot and the adjacent portion of the Common Area or as between said adjacent Lots, as the case may be, along a line perpendicular to such boundary at such point.

Section 2.5. Wetland Areas. Wetland Areas are designated on the Plan. No work by Lot owners including grading or filling is permitted in these Wetland Areas. Any work, including but not limited to, grading or filling, is prohibited within these wetlands by owners of Lots.

If cable television is not available, a single television antenna may be erected and maintained solely within the attic area and not visible from the exterior, which antenna shall be removed within three (3) months from the date of availability of cable television. Section 3.4. Prohibition of Damage and Certain Activities Nothing shall be done or kept on any Lot or in the Common Area which would be in violation of this Declaration or any statute, rule, ordinance, regulation, permit or other validly imposed requirement of any governmental body. No damage to, or waste of, the Common Area shall be committed by any Owner or any tenant or invitee of any Owner; and each Owner shall indemnify and hold the Association and other Owners harmless against all loss resulting from any such damage or waste caused by him or his tenants or invitees, to the Association or other Owners. No noxious, destructive or offensive activity shall be permitted on any Lot

or in the Common Area, nor shall anything be done therein which may be or may become an annoyance or nuisance to any other Owner or to any other person at any time lawfully residing on the Property.

Section 3.5 Signs Prohibited No sign on any kind shall be displayed to the public view on any Lot or the Common Area.

Commercial vehicles in the process of loading or unloading shall not be considered to be "parked" so long as such vehicles shall not be kept on the Property overnight. Further, the Association may promulgate further rules and regulations affecting the parking of any vehicles on a Lot which appear in the best interests of all Owners.

Section 3.7. Animals. No animals, livestock, or poultry of any kind shall be raised, bred, or kept on any Lot or the Common Area, except that dogs, cats and other customary household pets maybe kept on Lots subject to limitations, which may be imposed from time to time by applicable governmental authority and further subject to rules and regulations adopted by the Association, provided that they are not kept, bred, or maintained for any commercial purpose. Each Owner shall be responsible at all times for the prompt collection and proper removal and disposal of all excrement from their pets. The Association may prohibit the keeping of any pet anywhere upon the Property which the Association reasonably determines may constitute a threat to the safety or health of persons lawfully upon the Property. All Owners at all times shall comply with all rules, regulations, ordinances, statutes, and laws adopted, promulgated, or enforced by any public agency having jurisdiction of the Property and relating to animals, and shall at no times allow such animals to constitute a nuisance within any portion of the Property. Each Owner of a Lot, which for purposes of this Section shall include all persons living within the residential dwelling unit located upon each such Lot, shall be limited to a maximum of three (3) customary household pets, including without limitation dogs, cats, or other animals.

Section 3.8. Trash and Garbage. No trash, garbage, or other waste material shall be kept or permitted upon any Lot or the Common Area except inside the improvements on each Lot or in sanitary containers concealed from view and otherwise in conformity with rules and regulations adopted by the Association. There shall be no burning of trash or any other waste material.

Section 3.9 Provisions Are Inoperative As to Initial Construction. Nothing contained in this Declaration shall be interpreted or construed to prevent the Declarant, its transferees, or its or their contractors, or sub-contractors, from doing or performing on all or any part of the Property owned or controlled by the Declarant, or its transferees, whatever they determine to be reasonably necessary or advisable in connection with the completion of the construction, marketing and sale of improvements on the Lots, including, without limitation:

(a) Erecting, constructing, and maintaining thereon such temporary structures or uses otherwise conforming with applicable zoning regulations as may be reasonably necessary for the conduct

of Declarant's business of completing such construction and establishing the Property as a residential community and disposing of the same in parcels by sale, lease, or otherwise; or

(b) Maintaining such sign or signs thereon conforming with applicable zoning regulations as may be reasonably necessary in connection with the sale, lease, or other transfer of the Property in parcels.

As used in this Section and its sub-paragraphs, the term "its transferees" specifically does not include purchasers of Lots improved as completed residences.

Section 3.11. Fences. Fences on Lots are prohibited without the prior written approval of the ARB. From time to time, the ARC may adopt rules governing the erection and landscaping of such fences which may be required, provided always that any such landscaping which may be permitted by the ARC shall be aesthetically compatible with the existing landscaping of the residential dwelling unit. All such fences shall be manufactured from solid vinyl or pvc material and shall be white in color.

Section 3.12. Safe Neighborhood Improvements District. Governmental Authorities may require or permit the Declarant to form one or more safe neighborhood improvements districts, as provided for in Part IV of Chapter 163, Florida Statutes, as the same may be amended from time to time for maintenance and operation of street lights to be installed on the Property, maintenance of stormwater drainage and retention systems on the Property, or the performance of other services beneficial to Owners of Lots in the Plan. All Lots shall be encompassed within any such districts which may be established and shall be subject to the restrictions, limitations and assessments as may be imposed upon the property within any such district(s). All Owners shall be bound by any agreement or resolution creating a safe neighborhood improvements district and all Owners shall join in and execute any instrument which may be required in connection with the establishment of such district(s).

Section 3.22. Short Term Rentals. Rentals of any Residence for a period less than twelve (12) months shall be prohibited. All leases shall be filed with the Association in accordance with the requirements promulgated from time to time by the Board of Directors; such filing shall be complied with seven (7) days after the effective date of the lease. All leases and occupancy of leased premises shall comply with the zoning laws and regulations of the City.

Section 3.23. Rules and Regulations. No Owner shall violate the rules and regulations for the use of the Lots and the Common Area, as the same are from time to time adopted by the Association. The prohibitions and restrictions contained in this Article shall be self-executing without implementation by further rules and regulations; provided, however, the foregoing shall not be construed as an implied prohibition preventing the Association from extending the scope of such prohibitions and restrictions from time to time by adopting further rules and regulations consistent with this Declaration.

Section 3.24. Fines. In addition to all other remedies, in the sole discretion of the Board of Directors or the Association, a fine or fines may be imposed upon an Owner for failure of any Owner, his family, guests, invitees, tenants, or employees to comply with any covenant, restriction, rule or regulation, contained herein and rules or regulations promulgated under the Articles of Incorporation or Bylaws of the Association, provided the following procedures are adhered to:

(a) **Notice.** The Association shall notify the Owner of the infraction or infractions. Included in the notice shall be the date and time of the next Board of Directors meeting, which shall not be less than fourteen (14) days from the date of said notice. At the meeting, Owner shall present reasons why penalties should not be imposed.

(b) **Hearing.** The non-compliance shall be presented to the Board of Directors, at a meeting which shall not be held less than fourteen (14) days after the date notice of non-compliance is sent to Owner. The Board of Directors shall hear reasons why the penalties should not be imposed at said

hearing. A written decision of the Board of Directors shall be submitted to the Owner no later than twenty-one (21) days after the Board of Director's meeting.

(c) Appeal. Any person aggrieved by the decision of the Board of Directors as to a non-compliance may, upon written request to the Board filed within seven (7) days of the person's receipt of the written decision of the Board of Directors, file an appeal with the Board of Directors to be heard by the appeals committee, which appeals committee shall consist of three (3) members of the Association appointed by the Board of Directors. The appeals committee shall meet and file a written determination of the matter and serve copies on both the Board and the aggrieved person. In no case shall the appeals committee's findings be binding on either party; however, the Board of Directors may elect to review its decision in light of the findings of the appeals committee. A failure of an Owner to file an appeal shall be deemed to be a waiver of any further legal remedies relating to the infraction.

(d) Penalties. The Board of Directors may impose special assessments as follows:

(i) First non-compliance or violation: a fine not in excess of One Hundred Dollars (\$100.00).

(ii) Second non-compliance or violation: a fine not in excess of Five Hundred Dollars (\$500.00).

Section 4.1. Membership. Every Owner of a Lot shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment.

Section 4.2. Voting Rights. The Association shall have two classes of voting membership:

Class A. Class A Members shall be all Owners, with the exception of the Declarant, and shall be entitled to one (1) vote for each Lot owned. When more than one (1) person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one (1) vote be cast with respect to any Lot. When reference is made herein or in the Association Bylaws to a majority or a specific percentage or fraction of Members to

establish a quorum or to carry a vote, such references shall be deemed to mean and refer to such majority, percentage or fraction entitled to vote on the basis of one (1) vote per Lot.

Class B. The Class B Member shall be the Declarant who shall be entitled to three (3) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of any of the following events, whichever occurs earlier:

(a) Three (3) months after ninety percent (90%) of the maximum number of residential Lots allowed for the Property have been conveyed to Class A Members;

(b) On the date which is ten (10) years after the recording of this Declaration; or

ARTICLE V

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 5.1. Creation of the Lien and Personal Obligation of Assessments The Declarant hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association annual, special and other assessments to be established and collected as hereinafter provided. Such assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Lot on the date when the assessment became due. The personal obligation for delinquent assessments shall not pass to a successor in title unless expressly assumed by such successor; provided, however, in no event shall assumption by a successor relieve the former Owner of any personal liability arising hereunder and no failure of such assumption shall affect the lien of such an assessment. In the case of co-ownership of a Lot, all such co-owners shall be jointly and severally liable for the entire amount of the assessment.

Section 5.2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the Owners of the Lots, their guests, lessees and business invitees; for the improvement, repair, replacement and maintenance of the Common Area and the improvements located thereon; for payment of all taxes assessed to the Association, if any, in respect to the Common Area, or the improvements or personal property thereon, or both; and, for the general purpose of enabling the Association to perform and fulfill its authorized or required rights, powers, duties and obligations in this Declaration.

Section 5.3. Annual Assessments The Association shall have the power to levy annual assessments against the Lots and the Owners thereof in the manner and for the purposes provided herein. The Association shall have the further right to require the payment of annual assessments in monthly, quarterly or semi-annual installments as the Association may deem necessary and appropriate.

Section 5.4. Maximum Annual Assessment. Until January 1 of the year immediately following the date of the conveyance of the first Lot by Declarant to an Owner, the maximum annual assessment

C:\Users\DLovett\AppData\Local\Microsoft\Windows\Temporary Internet Files\Content.Outlook\36WILJY6\Declaration-006.doc

shall be \$1,758.00 per Lot, plus any amounts that may be assessed under Sections 5.5 or 5.6 of this Article V. The actual amount of the annual assessment shall be determined by the Board on an annual basis subject to the following:

(a) From and after January 1 of the year immediately following the conveyance of the first Lot by the Declarant to an Owner, the maximum annual assessment may be increased each year without a vote of the Members by an amount not more than twenty percent (20%) over the maximum assessment for the preceding year.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot by the Declarant to an Owner, the maximum annual assessment may be increased by more than the amount permitted pursuant to Subparagraph (a), above, by a vote of two-thirds (2/3) of each class of Members who are voting in person or by proxy at a meeting duly called for such purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the amount set forth herein.

Section 5.5. Individual Assessments. The Association may impose an individual assessment upon any Owner whose use or treatment of the Common Area, any Lot or the improvements on any Lot is not in conformity with the standards adopted by the Association or which increases the maintenance cost to the Association above that which would result from compliance by the Owner with such use restrictions imposed by this Declaration. The maximum amount of such assessment shall be equal to such cost incurred plus ten percent (10%) to cover the cost of maintenance and may be enforced in the manner provided for other assessments.

Section 5.6. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may (i) levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose; or (ii) levy a special assessment upon authorization of the Board of Directors of the Association, for the purpose set forth in Sections 11.1.1 through 11.1.8 hereof.

Section 5.7. Notice and Quorum for Any Action Authorized Under Sections 5.4 and 5.6. Written notice of any meeting called for the purpose of taking any action authorized under Section 5.4 or 5.6 shall be sent to all Members via regular U.S. Mail, not less than thirty (30) days nor more than sixty (60) days in advance of the meeting and shall be posted conspicuously on the Property or broadcast on closed circuit cable television not less than fourteen (14) days before the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast majority of all the votes of each class of Membership shall constitute a quorum.

Section 5.8. Uniform Rate of Assessment. Both annual and special assessments (other than assessments per 3.25 and 5.5 of this Declaration) shall be fixed at a uniform rate for all Lots; provided, however, the Declarant may elect to pay the annual assessment upon unsold Lots owned by the Declarant at a rate equal to twenty-five percent (25%) of the normal annual assessment for so long as Declarant shall obligate itself to pay any operating deficit incurred by the Association during the period of such lesser assessment. Notwithstanding the foregoing, any Lots from which the Declarant derives any rental income shall be assessed at the same rate as is hereinabove established for Lots owned by other Members

of the Association, prorated as of, and commencing with, the first day of the month following the execution of the rental agreement.

In addition to the annual and special assessments authorized herein, the Association may levy, as hereafter set forth, a single lot assessment applicable only to a specific Lot that has failed to meet its maintenance obligations set forth in Article III.

Section 5.9. Initiation Assessment. In addition to the annual, special and individual assessments provided for hereunder, the Association shall have the right to collect from each party purchasing a Lot a one-time initiation assessment in the amount of \$500.00. The initiation assessment shall be due and payable only at the time of the conveyance of the Lot to the initial purchaser of the Lot from a Builder and shall not apply to subsequent conveyances of said Lot to subsequent Owners. As used herein, the term "Builder" shall mean Declarant, if it builds a townhome residence on the Property or a person or entity who has contracted to purchase three or more Lots in the Plan for the purpose of constructing homes for third-party purchasers. The initiation assessment may be utilized in the discretion of the Declarant to offset any obligation of the Declarant to deficit fund the operation of the Association or for any other lawful purpose as set forth herein for the use of Annual Assessments. At the time of payment of the initiation assessment provided herein, the Owner shall likewise pay to the Association that portion of the Annual Assessment provided in Section 5.3 or any existing Special Assessment prorated from the date of purchase through the end of the then current calendar year.

Section 5.10. Date of Commencement of Assessments Due Date. The annual assessments provided for herein shall commence as to all Lots on such date as shall be determined by the Board in conformity with the provisions of this Declaration, but in any event shall commence no later than the date of the conveyance of the first Lot. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates of periodic installments shall be established by the Board. The Association shall, upon request, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 5.11. Determination of Allocation of Assessments. The number of Lots used for the calculation of the annual assessments shall not include the six Detached Single Family Home Lots and shall be determined as of the ownership of record thirty (30) days prior to the commencement of the fiscal year of the Association and when so determined shall be controlling for the entire fiscal year.

Section 5.12. Effect on Nonpayment of Assessments; Remedies of the Association. If any assessment is not paid on the date due then such assessment shall become delinquent and shall, together with accrued and accruing interest and costs of collection as herein provided, become due and payable and be a continuing lien on such Lot which shall bind such Lot and the then Owner. The Association may record a notice of lien for delinquent assessments in the Public Records of Orange County, Florida, and foreclose the lien in the same manner as a mortgage. Upon recording, the lien shall secure the amount of delinquency stated therein and all unpaid assessments, interest and costs of collection accruing thereafter until satisfied of record. If the assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of delinquency at the rate of twelve percent (12%) per annum, and the Association may bring an action at law against the Owner to pay the same, if personally obligated, or foreclose the lien against the Lot, there being added to the amount of such assessment

interest at the aforesaid rate and all costs of collection, including reasonable attorneys' fees incurred in connection therewith at trial and all appellate levels.

Section 5.13. Subordination of the Lien to Mortgages. Except as provided by Florida law, the lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage held by an Institutional Lender encumbering a Lot; provided, however, such subordination shall apply only to the assessments with respect to such Lot to the extent they have become due and payable prior to a sale or transfer of such Lot pursuant to a foreclosure judgment or in any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such Lot from the liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment. An Institutional Lender shall, upon request, be entitled to written notification from the Association of any default of an Owner of any obligation hereunder which is not cured within sixty (60) days. Furthermore, the Association may provide such notice without receiving a request from an Institutional Lender.

Section 5.14. Reserves. The Association shall include within the annual assessment amount (but not be limited by the matters for which reserves may be collected as hereafter stated), sums to be collected as reserves for installation, replacement, repair and/or maintenance of improvements situate upon or within the Common Area and other expenses and costs of the Association including those described as incurred by the Association in Article 11 of this Declaration. Such reserve amounts will be based on a schedule approved and prepared by the Board on an annual basis and shall be based on the cost of the improvements and their estimated life.

ARTICLE VI **PRIOR DECLARATION**

Section 6.1. The Property is subject to that Declaration of Easements, Covenants and Restrictions for Randal Park Residential Property Owner's Association recorded in Official Records Book 10407 page 7259 public records of Orange County, Florida (the "Prior Declaration"). Each Lot Owner shall fully comply with the terms, provisions, restrictions, covenants, duties, and obligations of owners in the Prior Declaration. No term, restriction, covenant, right, obligation, duty or provision of the Prior Declaration shall be superseded, controlled by, overwritten, repealed or suspended by this instant Declaration. The terms, restrictions, covenants, provisions, duties and obligations in this instant Declaration shall be in addition to, and not in lieu of, those of the Prior Declaration. For example, and without limitation, each Owner of a Lot hereunder will need to pay assessments and receive Architectural Review Board approvals as provided in the Prior Declaration as well as pay assessments and receive Architectural Review Committee approval as provided in this constant Declaration.

ARTICLE VII **ARCHITECTURAL CONTROL**

Section 7.1. Establishment of Architectural Review Committee. There is hereby established an Architectural Review Committee (the "ARC") which shall consist of three (3) or more persons designated and appointed by the Declarant. At such time as the Declarant no longer owns any Lot within the Property (or earlier at the option of the Declarant), the Declarant shall assign to the Association all rights, powers duties and obligations of the ARC, whereupon the Board shall appoint the members of the ARC and shall provide for the terms of the members of the ARC. Members of the ARC need not be officers, directors or Members of the Association.

Section 7.2. ARC Authority. The ARC shall have full authority to regulate the use and appearance of the Property and all improvements constructed there and to assure harmony of external design and location in relation to surrounding improvements and topography and to protect and preserve the value and desirability of the Property as a residential community. The power to regulate shall include the power to prohibit those exterior uses or activities deemed inconsistent with the provisions of this Declaration, or contrary to the best interests or the Association in maintaining the value and desirability of the Property as a residential community, or both. The ARC shall have authority to adopt, promulgate, rescind, amend and revise rules and regulations in connection with the foregoing; and those matters requiring ARC approval in Section 7.3 below, provided, however, such rules and regulations shall be consistent with the provisions of this Declaration and, in the event the Board has not constituted itself as the ARC, such rules and regulations shall be approved by the Board prior to the same taking effect. Violations of the rules and regulations of the ARC shall be enforced by the Board, unless such enforcement authority is delegated to the ARC by resolution of the Board.

Section 7.3. ARC Approval. No building, fence, hedge, wall, walk, dock, planting, sign, or enclosure or addition to any improvement located upon a Lot shall be constructed, erected, removed, planted or maintained nor shall any addition to, or any change or alteration thereof, be made until the plans and specifications showing the nature, kind, shape, height, materials, color scheme and location of same shall have been submitted to, and approved in writing by, the ARC. Any change in the exterior appearance of any improvement, including, without limitation, repainting in the same or different color, exterior refinishing, re-roofing, or the addition of architectural details, decorative sculptures or wrought iron grills, construction of fences or other enclosures, shall likewise require written approval of the ARC before any such work is commenced. The ARC shall have the right to refuse approval of plans, specifications or locations upon any grounds, including purely aesthetical considerations, which the ARC, in its sole and absolute discretion, deems appropriate.

Section 7.4. Submissions of Plans and Specifications. As part of the application process to the ARC, two (2) complete sets of plans and specifications and two (2) site plans shall be submitted for approval by written application on such form as may be provided, required or approved by the ARC. In addition, the anticipated commencement date and estimated time for completion shall be included in the application to the ARC. In the event the information submitted to the ARC is, in its opinion, incomplete or insufficient in any manner, it may request and require the submission of additional or supplemental information.

Section 7.5. Standards. No approval shall be given by the ARC pursuant to the provisions of this Article unless the ARC determines that such approval shall (i) assure harmony of external design, materials, and location in relation to surrounding improvements and topography within the Property, (ii) shall protect and conserve the value and desirability of the Property as a residential community; (iii) shall be consistent with the provisions of this Declaration; and, (iv) shall be in the best interests of the Association in maintaining the value and desirability of the Property as a residential community. The ARC may deny any application upon the ground that the proposed alteration will create an undue burden of maintenance upon the Association. In the event additional maintenance may be required, then the ARC shall require an agreed method of payment for such maintenance cost and require security for the payment of same. The ARC may condition the approval of any application upon the Owner providing reasonable security that the contemplated work will be completed substantially in accordance with the plans and specifications therefore submitted to the ARC.

Section 7.6. Drainage. All plans submitted to the ARC shall contain a drainage plan which shall be consistent with the master drainage plan for the Property or, in the alternative, contain an affirmative statement that none of the work contemplated by the plans will have any effect on the drainage of the Lot. In all events, each Owner shall be and remain fully liable for any and all damage caused directly or indirectly by any change in the design of function of drainage on or from any Lot, or the grade of any Lot, in connection with the construction, installation or maintenance of any approved changes by the Owner. In the event of any change to the drainage design, function or grade, the Association may, but shall not be required to, restore the drainage design, function or grade and may charge the Owner for all reasonable costs incurred in connection therewith plus ten percent (10%), said charge to constitute a lien on the Property of such Owner. In connection with any such restoration, the Association may exercise powers granted to it under Section 5.5 of Article V.

Section 7.7. Completion. All improvements for which approval of the ARC is required and has been obtained pursuant to the terms and provisions of this Declaration shall be completed within the time period specified in such approval. In the event the improvements are not completed within the required time, the Association may, thirty (30) days following written notice from the ARC to the Owner, complete such improvements at the sole expense of the Owner in accordance with the plans and specifications previously approved by the ARC and may charge the Owner for the expenses incurred in connection therewith plus ten percent (10%), said charge to constitute a lien on the Property of the Owner. In connection with any such restoration, the Association may exercise powers granted to it pursuant to Section 5.5 of Article V.

Section 7.8. Right of Entry. There is specifically reserved to the Association and the ARC, the right of entry and inspection upon any Lot for the purpose of determining and/or correcting the existence of any activity or condition which violates the terms of any approval given by the ARC or the terms of this Declaration. The ARC is specifically empowered to enforce the provisions of this Declaration by any legal or equitable remedy, and in the event it becomes necessary to resort to litigation to enforce the terms of this Declaration, or to remove any improvements which have not been approved by the ARC or have not been constructed in conformity with approval granted by the ARC, the prevailing party shall be entitled to recover all costs, expenses and reasonable attorneys' fees in connection therewith. The Association shall indemnify and hold the ARC and its members harmless from any and all costs, expenses and liabilities, including reasonable attorneys' fees, incurred by virtue of service as a member of the ARC.

Section 7.9. Violations. In each instance where improvements have been constructed, or the construction thereof is substantially advanced, in such manner that the same violates the restrictions contained in this Declaration, including, activities carried out which are not consistent with plans and specifications approved by the ARC, the ARC (if it has knowledge of such violation) shall notify the Board in writing and the Board may thereafter direct the violating Owner to immediately remove any/or cure such violation. For purposes hereof, all Owners specifically consent and agree to comply with the provisions of this Section as of the time such Owner shall become vested with title to any portion of the Property.

Section 7.10. Waivers. The ARC shall have the right, but not the obligation, to grant waivers for minor deviations and infractions of the covenants, conditions and restrictions contained herein. The granting of any waiver may be given or withheld in the sole discretion of the ARC and any prior grant of a similar waiver shall not impose upon the ARC the duty to grant new or additional waivers for like or similar conditions.

Section 7.11. Disclaimer of Liability. The Association, the Declarant, the ARC and all officers, employees, directors or members thereof shall in no way be liable to any person including, without limitation, any person or persons submitting plans and specifications for approval by reason of mistake in judgment, negligence or non-feasance arising out of, or in connection with, the approval, disapproval or failure to approve any such plans and specifications. Each person who submits plans and specifications for approval agrees, by submission thereof, that it will not bring any action or suit whatsoever against the Association, the Declarant, the ARC, or any officer, employee, director or member thereof.

ARTICLE VIII

PARTY WALLS AND OTHER SHARED STRUCTURES

Section 8.1. Definition of Party Wall. Each wall, including, without limitation, patio wall, fence, driveway or similar structure which is built as part of the original construction of the townhomes upon the Property and placed on the dividing line between the Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto. Each Owner of a Lot adjoining such a wall is hereby granted an easement appurtenant to said Lot for the use, maintenance, repair and replacement of such a wall to the extent it encroaches on the adjoining Lot owner's property.

Section 8.2. Sharing of Costs of Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the adjoining Owners of such wall equally without prejudice, subject however, to the right of any Owner to call for a larger contribution from the adjoining Lot Owner under any rule of law regarding liability for negligent or willful acts or omissions.

Section 8.3. Destruction of a Party Wall. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

In addition to meeting the other requirements of this Declaration and of any building code or similar regulations or ordinances, any Owner proposing to modify, make additions to or rebuild in any manner which requires the extension or other alteration of any party wall, shall first obtain the written consent of the adjoining Owner.

Section 8.7. Resolution of Disputes Between Owners as to Party Walls. In the event of a dispute between the Owners with respect to the repair or rebuilding of a party wall or with respect to the sharing of the cost thereof, then, upon written request of one of such Owners addressed to the Association, the matter shall be submitted to arbitration under such rules as may from time to time be adopted by the Association. If no such rules have been adopted, then the matter shall be submitted to three

arbitrators, one chosen by each of the Owners and the third by the two so chosen, or, if the arbitrators cannot agree as to the selection of the third arbitrator within five (5) days, then by any Judge of the Circuit Court of Orange County, Florida. A determination of the matter signed by any two of the three arbitrators shall be binding upon the Owners, who shall share the cost of arbitration equally. In the event one party fails to choose an arbitrator within ten (10) days after personal receipt of a request in writing for arbitration from the other party, then the other party shall have the right and power to choose both arbitrators.

Section 8.8. Binding Effect. These covenants contained in this Article VIII shall be binding upon the heirs and assigns of any Owners.

Section 8.9. Rules and Regulations. The Association may by its By-Laws, rules or regulations, govern the use of party walls by Owners, if necessary, to prevent the imposition of annoyances between Owners.

ARTICLE IX PRIVACY WALLS

Section 9.1. Privacy Wall. The Declarant may construct walls, entry monuments, signage or fences within the Property on which a townhome is built ("Privacy Wall" or "Privacy Walls"). A Privacy Wall shall hereinafter be defined as any wall or fence built by the Declarant, or later built by the Association, in any Common Area or easement as a visual barrier, decorative or architectural feature, safety feature, or for any other reason at the sole discretion of the Declarant, or as a requirement of any municipality or governing authority.

Entry upon a Lot by the Declarant or the Association, or its agents, as provided herein, may occur without notice and shall not be deemed a trespass.

ARTICLE X ANNEXATION OF ADDITIONAL PROPERTY; WITHDRAWAL OF PROPERTY

Section 10.1. Annexation and Withdrawal without Association Approval. At any time prior to ten (10) years from the date hereof, Additional Property may be annexed, in whole or in part, by the Declarant and made subject to the governing provisions of this Declaration without the consent of Class "A" Members of the Association. The Lots and the improvements thereon, together with the rights and obligations of the Declarant and other Owners thereof, upon all or any portion of such Additional Property shall become subject to the provisions of this Declaration upon recording of an appropriate supplement or amendment hereto executed by the Declarant without the consent of the Class "A" Members. If an Owner has caused or allowed damage or deterioration of his improvement resulting in the need for more than incidental repairs then the cost of such painting and/or repair which the Board, in its discretion, believes exceeds what is typically required of such improvements may, be assessed to the Owner of that improvement at the time painting is required. In the event the Association paints any fence, wall, or other Improvement along the common boundary of two (2) Lots (other than exterior walls of any townhomes), the cost of same shall be borne equally between the adjacent Owners. Notwithstanding anything in this Section to the Contrary, the Association shall not be required to repair or replace any damage or destruction to any improvements on a Lot.

Absent such affirmative vote, roof repairs and/or replacement shall be performed at the discretion of the Board.

Section 11.1.3 Lawn Maintenance and Landscaping by Association. An Owner shall not unreasonably withhold consent to such entry for the purpose of discharging any duty or exercising any right granted by the foregoing Sections of this Article, provided such entry is upon reasonable notice, at a reasonable time, and in a peaceful and reasonable manner.

Section 11.3. Services of Association. The Association may obtain and pay for the services of any person or entity to manage its affairs, or any part thereof, to the extent it deems appropriate and advisable, together with such other personnel as the Association shall determine to be necessary or desirable for the proper operation of the Property, whether such personnel are furnished or employed directly by the Association or by any person or entity with whom it may contract. The Association may obtain and pay for legal and accounting services necessary or desirable in connection with the operation of the Property or the enforcement of this Declaration.

Section 11.4 Services for Owners. The Association may contract, or otherwise arrange, with any person or entity to furnish water, trash collection, sewer services, maintenance, replacement, and other common services to all Lots. Any Owner additionally may voluntarily contract with the Association for the Association to perform, or cause performance of, any services benefiting such Owner's Lot at the cost and expense of such Owner. All sums due the Association pursuant to such contract shall be added to and become a part of the assessment against such Owner's Lot.

At all times thereafter, all capital improvements to the Common Area, except for replacement or repair of those items installed by the Declarant and except for personal property related to the maintenance of the Common Area, shall require approval of the Board.

Section 11.9. Good Standing: The Association shall file its annual reports timely and at all times be in good standing with the Florida Department of State, Division of Corporations.

ARTICLE XII

RECONSTRUCTION OR REPAIR AFTER CASUALTY

Section 12.1. Damage to Common Area. In the event that any improvement to any portion of the Common Area is damaged or destroyed by casualty, it shall be repaired or restored by the Association to substantially its condition prior to the damage or destruction. Repair or reconstruction in the Common Area shall be substantially in accordance with the plans and specifications pursuant to which the same was originally constructed. All insurance proceeds shall be applied to the restoration and repair. If the insurance proceeds are insufficient, the deficit shall be assessed against all Owners as a special assessment. Each Owner shall be responsible to the Association for damage to the Common Area caused by such Owner or the tenants, guests or business invitees of such Owner and the Association shall have the right to recover its expenses, including reasonable attorneys fees, in the event it should become necessary for the Association to initiate an action to recover damages from an Owner.

The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by, or pursuant to, the provisions of this Declaration and the party enforcing the same shall have the right to recover all costs and expenses incurred, including reasonable attorneys' fees. In the event the Association enforces the provisions hereof against any Owner, the costs and expenses of such enforcement, including reasonable attorneys' fees, may be assessed against such Owner's Lot as a assessment pursuant to the provisions hereof. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so at any time. If these restrictions are enforced by appropriate proceedings by any such Owner or Owners, such Owner or Owners may be reimbursed by the Association for all or any part of the costs and expenses incurred, including reasonable attorneys' fees, in the discretion of the Board. In addition to the foregoing, the St. Johns River Water Management District shall have the right to enforce, by proceedings at law or in equity, the provisions contained in the Declaration as they may relate to the maintenance, operation and repair of any surface water management system.

In addition, the Declarant expressly reserves the right, so long as it is a Class "B" Member, to amend this Declaration without the necessity of concurrent action or approval of the Owners so long as such amendment does not materially or adversely affect the interests of the Owners. Furthermore, any amendment to this Declaration which would tend to alter or affect any surface water management system permitted by the St. Johns Water Management District shall require prior written approval of the St. Johns River Water Management District. EXHIBIT C

**BY-LAWS OF
RANDAL PARK TOWNHOMES OWNERS' ASSOCIATION, INC.
a Florida corporation not for profit**

Section 1. Identification of Association.

These are the By-Laws of RANDAL PARK TOWNHOMES OWNERS' ASSOCIATION, INC. (hereinafter referred to as the "Association"), as duly adopted by its Board of Directors. The Association is a corporation not-for-profit, organized pursuant to and under Chapter 617, Florida Statutes. The Association has been incorporated in connection with the creation of that certain Development (the "Development") known as RANDAL PARK Phase 3-C as evidenced by that certain Declaration of Covenants, Conditions, and Restrictions (the "Declaration") recorded or to be recorded in the Public Records of Orange County, Florida. All terms and definitions as set forth in Article 1 of the Declaration are incorporated herein and made a part hereof.

1.1 The office of the Association shall be for the present at 1900 Summit Tower Blvd., Suite 500, Orlando, FL 32810, and thereafter may be located at any place in Orange County, Florida, designated by the Board of Directors of the Association.

1.2 The fiscal year of the Association shall be the calendar year, unless a different fiscal year is adopted by the Board.

1.3 The seal of the Association shall bear the name of the Association, the word "Florida" and the words "Corporation Not-For-Profit".

Section 2. Membership in the Association, Members Meetings, Voting and Proxies

2.1 The qualifications of Members, the manner of their admission to membership in the Association, and the manner of the termination of such membership shall be as set forth in the Articles of Incorporation of the Association.

2.2 The Members shall meet annually at the office of the Association or such other place in Florida, as determined by the Board and as designated in the Notice of such meetings, at the time determined by the Board, within ninety (90) days before each year-end (calendar or fiscal year-end as determined by the Board) commencing with the year 2014. Such meetings shall be known as the "Annual Members Meeting". The purpose of the Annual Members Meeting shall be to elect directors, to hear reports of the officers, and to transact any other business authorized to be transacted by the Members.

2.3 Special meetings of the Members shall be held at any place within Orange County, whenever called by the President, Vice President, or a majority of the Board. A special meeting must be called by the President or Vice President upon receipt of a written request from one-fourth (1/4) of the Members.

2.4 A written notice of the meeting (whether the Annual Members Meeting or a special meeting of the Members) shall be mailed to each Member entitled to vote at his last known address as it appears on the books of the Association. Such written notice of an Annual Members Meeting shall be mailed to each Member not less than fourteen (14) days nor more than forty (40) days prior to the date of the

Annual Members Meeting. Written notice of a special meeting of the Members shall be mailed not less than ten (10) days nor more than forty (40) days prior to the date of a special meeting. The notice shall state the time and place of such meeting and the object for which the meeting is called and shall be signed by an officer of the Association. If a meeting of the Members, either a special meeting or an Annual Members Meeting, is one for which, by express provision of the Articles or these By-Laws, there is permitted or required a greater or lesser amount of time for the mailing or posting of notice than is required or permitted by the provisions of this Section 2.4, then the aforesaid express provision shall govern. Any provision herein to the contrary notwithstanding, notice of any meeting may be waived by any Member before, during, or after a meeting, which waiver shall be in writing and shall set forth a waiver of written notice of such meeting. The aforementioned procedure shall not apply in the event of an emergency.

2.5 The Members, at the discretion of the Board, may act by written agreement in lieu of a meeting, provided written notice of the matter or matters to be agreed upon is given to the Members, at the addresses and within the time periods set forth in Section 2.4 herein, or duly waived in accordance with such Section. The decision of the majority vote of the Members as to the matter or matters to be agreed upon (as evidenced by written response to be solicited in the notice) shall be binding on the Members, provided a quorum of the Members submits a response. The notice shall set forth a time period during which time a response must be made by a Member.

2.6 A quorum of the Members shall consist of persons entitled to cast one-third (1/3) of the votes of the Members except to the extent the Declaration provides otherwise. A Member may join in the action of a meeting by signing and concurring in the minutes thereof and such a signing shall constitute the presence of such parties for the purpose of determining a quorum. When a quorum is present at any meeting and a question which raises the jurisdiction of such meeting is presented, the holders of a majority of the voting rights present in person or represented by written "proxy" (as hereinafter defined) shall be required to decide the question. However, if the question is one upon which, by express provisions of the Declaration, the Articles, or these By-Laws, requires a vote of other than the majority vote of a quorum, then such express provision shall govern and control the required vote on the decision of such question.

2.7 If any meeting of the Members cannot be organized because a quorum is not in attendance, the Members who are present, either in person or by proxy, may adjourn the meeting to a date certain or otherwise from time to time until a quorum is present. In the case of a meeting being postponed, the notice provisions for the adjournment shall be as determined by the Board. In any such subsequent meetings, a quorum shall consist of one-fifth (1/5) of the votes of the Members.

2.8 Minutes of all meetings shall be kept in a businesslike manner and be available for inspection by the members and the Directors at all reasonable times and places and shall be produced within ten (10) business days after receipt of a written request for access.

2.9 Voting rights of Members shall be as stated in Section 2.10 below. Such votes may be cast in person or by proxy. "Proxy" is defined to mean an instrument containing the appointment of a person who is substituted by a Member to vote for him and in his place and stead. Proxies shall be in writing and shall be valid only for the particular meeting designated therein, and any adjournments of that meeting. A proxy must be filed with the Secretary of the Association before the appointed time of the meeting in order to be effective. Any proxy may be revoked prior to the time a vote is cast according to such proxy.

2.10 The following provisions shall govern the right of each Member to vote and the manner of exercising such right:

(a) Each Owner or the collective Owners of a Lot of record shall be entitled to one (1) vote in the Association with respect to matters on which a vote by the Owners is required or permitted to be taken under the Declaration, the Articles or these By-Laws.

(b) The vote of the Owners of a Lot owned by more than one natural person, or by a corporation or other legal entity, shall be cast by the person named in a certificate executed by all of the Owners of the Lot, or if appropriate, by properly designated officers, partners, or principals of the legal entity, and filed with the Secretary of the Association. If such a certificate is not on file with the Secretary of the Association, the vote of such Lot shall not be considered for a quorum or for any other purpose.

(c) Notwithstanding the provisions of paragraph (b) of this Section 2.10, whenever any Lot is owned by a husband and wife, they may, but shall not be required to, designate a voting member. In the event a certificate designating a voting member is not filed by a husband and wife, the following provisions shall govern their right to vote:

(1) Where both are present at a meeting, each shall be regarded as the agent and proxy of the other for purposes of casting the vote for each Lot owned by them. In the event they are unable to concur in their decision upon any subject requiring a vote, they shall lose their right to vote on that subject at the meeting.

(2) Where only one (1) spouse is present at a meeting, the person present may cast the vote for the Lot without establishing the concurrence of the other spouse, absent any prior written notice to the contrary by the other spouse. In the event of prior notice to the contrary to the Association or the designation of a different proxy by the other spouse, the vote of said Lot shall not be considered.

(d) In the event that any Owner shall fail to pay Assessments within ten (10) days after he has been notified in writing by the Association that such Assessments are due, the vote of the Lot owned by such Owner shall be terminated until such Assessment plus interest thereon and costs of collection thereof are paid to the Association.

(e) The foregoing provisions shall not apply to the Declarant named in the Declaration and the Declarant's successors and assigns.

2.11 At any time prior to a vote upon any matter at a meeting of the Members, any Member may demand the use of a secret written ballot for voting on such matter. The Chairman of the meeting shall call for nominations for inspectors of election to collect and tally written ballots upon the completion of balloting upon the subject matter.

Section 3. Board of Directors Director's Meetings.

3.1 The form of administration of the Association shall be by a Board of not less than three (3) Directors nor more than seven (7) Directors, the exact amount to be determined from time to time by the

Members in accordance with the Declaration, or the Articles. The Board shall initially consist of three (3) members, who need not be members of the Association.

3.2 The provisions of the Articles setting forth the selection, election, designation and removal of Directors by the Declarant are hereby incorporated herein by reference.

3.3 Subject to Section 3.5 below and to the Declarant's rights as set forth in the Articles and Declaration and as set forth in Section 3.5(c) below, vacancies in the Board shall be filled by persons elected by the remaining Directors. Any such person shall be a Director as if, and have all of the rights, privileges, duties and obligations as a Director, elected at an Annual Members Meeting, and shall serve for the term prescribed in Section 3.4 of these By-Laws.

3.4 The term of each Director's services shall extend until the next Annual Members Meeting and until his successor is duly elected and qualified, or until he is removed in the manner elsewhere provided herein.

3.5 (a) A Director elected by the Members, as provided in the Articles, may be removed from office upon the affirmative vote or the agreement in writing of a majority vote of the Members at a special meeting of the Members for any reason deemed by the Members to be in the best interests of the Association. A meeting of Members to so remove a Director elected by them shall be held, subject to the notice provisions of Section 2.4 hereof, upon written request of ten percent (10%) of the Members. However, before any Director is removed from office, he shall be notified in writing that a motion to remove him will be made prior to the meeting at which said motion is to be made, and such Director shall be given an opportunity to be heard at such meeting should he be present prior to the vote on his removal. In the event the members hold a special meeting and vote to remove a director or directors, the Board shall hold a Board meeting within ten (10) full business days after the adjournment of the member meeting to remove one or more directors. At the meeting, the Board shall certify the removal, if the removal was effectively made, in which case such member or members shall be removed effective immediately and shall turn over to the Board within five (5) full business days any and all records and property of the Association in their possession.

(b) A Director elected by the members, may also be removed from office by an agreement in writing or by written ballot without a membership meeting. The agreement in writing or the written ballots, or a copy thereof, shall be served on the Association by certified mail or by personal service in the manner authorized by Florida Statutes Chapter 48 and the Florida Rules of Civil Procedure.

(c) If the Board determines not to certify the written agreement or written ballots to remove a director or directors of the Board or does not certify the removal by a vote at a meeting, the Board shall, within ten (10) full business days after the meeting, file with the Florida Department of Business and Professional Regulation a petition for binding arbitration pursuant to the applicable procedures contained in Florida Arbitration Code and the rules adopted thereunder. If the arbitrator certifies the removal as to any director or directors of the Board, the removal will be effective upon mailing of the final order of arbitration to the Association. The director or directors so removed shall deliver to the Board any and all records of the Association in their possession within five (5) full business days after the effective date of the removal.

(d) If the Board fails to duly notice and hold a board meeting within ten (10) full business days after the service of an agreement in writing or within ten (10) full business days after the

adjournment of the member removal meeting, the removal shall be deemed effective and the director so removed shall immediately turn over to the Board all records and property of the Association.

(e) Minutes of all meetings of the Board related to removal of a director or directors shall be kept in a businesslike manner and be available for inspection by the Members and Directors at all reasonable times and places and produced within ten (10) business days after receipt of a written request for access.

(f) In the event a Director is removed from office without a membership meeting the board shall hold a meeting, subject to the notice provisions contained in Section 2.4 herein above. Said meeting shall be held within ten (10) business days after the members deliver the agreement in writing or the written ballots to the Association. At the meeting the Board shall either refuse to certify removal as properly done or certify the written ballots or written agreement to remove a director or directors of the Board, in which case such director or directors shall be removed effective immediately and shall turn over to the board within five (5) full business days any and all records and property of the Association in their possession.

(g) Members shall elect, at a special meeting or at the Annual Members Meeting, persons to fill vacancies to the Board caused by the removal of a Director elected by Members in accordance with Sections 3.5(a) and (b) above.

(h) A Director designated by Declarant, as provided in the Articles or Declaration, may be removed only by Declarant in its sole and absolute discretion and without any need for a meeting or vote. The Declarant shall have the unqualified right to name a successor for any Director designated and thereafter removed by it, and Declarant shall notify the Board of the name of the successor Director and the commencement date for the term of such successor Director.

(i) In the event a Director not designated by the Declarant shall fail to pay Assessments within ten (10) days after he has been notified in writing by the Association that such Assessments are due, his Board membership shall automatically be terminated and if such Board member is an officer of the Board he shall automatically be discharged from his office. The provisions hereof shall not act to deprive the Declarant of its right to designate officers or Directors,

3.6 The organizational meeting of a newly elected Board shall be held within ten (10) days of their election at such place and time as shall be fixed by the Directors at the meeting at which they were elected. No further notice of the organizational meeting shall be necessary.

3.7 Regular meetings of the Board may be held at such time and place as shall be determined from time to time by a majority of the Directors. Special Meetings of the Board may be called at the discretion of the President or the Vice President of the Association. Special meetings must be called by the Secretary at the written request of one-third (1/3) of the Directors.

3.8 Notice of the time and place of regular and special meetings of the Board, or adjournments thereof, shall be given to each Director personally or by mail, telephone, or e-mail transmission at least three (3) days prior to the day named for such meeting. Any Director may waive notice of a meeting before, during, or after a meeting, and such waiver shall be deemed equivalent to the receipt of notice by such Director. Notices of all board meetings shall be given to the Members of the Association, as provided by law.

3.9 A quorum of the Board shall consist of the Directors entitled to cast a majority of the votes of the entire Board. Matters approved by a majority of the Directors present at a meeting at which a quorum is present shall constitute the official acts of the Board, except as specifically otherwise provided in the Declaration, Articles, or elsewhere herein. If at any meeting of the Board, there shall be less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present. At any meeting being held because of such an adjournment, any business which might have been transacted at the meeting as originally called may be transacted. In the case of the adjournment of a meeting, notice to the Directors of such adjournment shall be as determined by the Board.

3.10 The presiding officer at Board meetings shall be the President.

3.11 Director's fees, if any, shall be determined by a majority vote of the Members.

3.12 Minutes of all meetings of the Board shall be kept in a businesslike manner and be available for inspection by the Members and Directors at all reasonable times and places produced within ten business days after receipt of a written request for access.

3.13 The Board shall have the power to appoint various executive committees of the Board. Each committee shall act as a liaison to the Board and provide the Board with such information and reports as the Board may request. Executive committees shall consist of no more than three (3) persons. Executive committees shall have and exercise such powers as the Board may delegate to such executive committee. In addition to such executive committees of the Board, the Board may organize owners' committees in the Development consisting of no more than three (3) owners. Such committee shall be designated as a "non-official committee," and the Owners shall have no authority to act on behalf of the Board. However, the purpose of such Owners shall be to act as a liaison and to provide the Board with such information as the Board may deem appropriate and necessary to exercise its power.

3.14 Meetings of the Board shall be open to all Members. Unless a Member serves as a Director or unless he has been specifically invited by the Directors to participate in a meeting, Members shall not be entitled to participate in any meeting of the Board, but shall only be entitled to act as an observer. In the event that a Member not serving as a Director or not otherwise invited by the Directors to participate in a meeting attempts to become more than a mere observer at such meeting, or conducts himself in a manner detrimental to the carrying on of such meeting, then any Director may expel said Member from the meeting by any reasonable means which may be necessary to accomplish such an expulsion. Also, any Director shall have the right to exclude from any meeting of the Board any person who is not able to provide sufficient proof that he is a Member, unless said person was specifically invited by the Directors to participate in such meeting. Board members may attend a meeting via telephone conference call if a speaker phone is available so that all those present at the meeting can communicate.

3.15 The Directors shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written approval of all the Directors. Any action so approved shall have the same effect as though taken at a meeting of the Directors.

Section 4. Powers and Duties of the Board of Directors.

All of the powers and duties of the Association including those existing under the Declaration, the Articles, and these By-Laws shall be exercised by the Board, unless otherwise specifically delegated therein to the Members. Such powers and duties of the Board shall be exercised in accordance with the provisions of the Declaration and these By-Laws, and shall specifically include all powers designated in the Declaration, the Articles, and these By-Laws, including, without limitation, the following:

4.1 Making and collecting Special Assessments and Annual Assessments against Members (collectively "Assessments") in accordance with the Declaration. These Assessments shall be collected by the Association through payments made directly to it by the Members.
